Re: Ellsworth Industrial Park Site, Downers Grove, Illinois  
Special Notice Letter

Dear Mr. Helwig:

On October 11, 2002, the United States Environmental Protection Agency (U.S. EPA) sent you a special notice letter informing you that you may be a potentially responsible party for the Ellsworth Industrial Park Site and requesting your response. This letter was issued with the understanding that you owned property at that Site.

Based on the information now available to it, U.S. EPA has determined that you do not own and have never owned property at the Site, that you are not a potentially responsible party at the Site, and that the October 11, 2002, letter was issued to you in error. The U.S. EPA therefore withdraws its special notice letter with respect to you.

I regret any inconvenience this misunderstanding may have created.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Wendy L. Carney", written in a cursive style.

Remedial Response Branch #1
